**National reports of Finland on the implementation of Directives on waste (2008/98/EC), on the landfill of waste (1999/31/EC) and on sewage sludge (86/278/EEC) for reporting period 2013-2015**

Please find enclosed reports of Finland on the implementation of the following directives relating to waste for the period 2013-2015:

- Directive 2008/98/EC on waste
- Directive 86/278/EEC on sewage sludge
- Directive 1999/31/EC on the landfill of waste

These reports include requested statistics for the years 2013 and 2014. The data concerning data quality reports and recovery targets will also be submitted to the electronic reporting system (e-Damis).

We hope to be able to provide the Commission with the missing statistics for the year 2015 by the end of year 2017.
